Dear fellow hunters and outdoor enthusiasts:

It is our pleasure to take this opportunity to write an introduction to the 2024 Wyoming Outdoors publication. This guide offers information on hunting, fishing, and a range of outdoor activities that can be pursued year-round in the Cowboy State. Whether this is your first trip to Wyoming or you return year after year, there's a wealth of information to be gleaned from these pages.

We ranch in Johnson County where hunting opportunities are world-class. Wyoming's majestic landscapes offer hunters some of the best opportunities in the world. With the right outfitter, you'll be prepared to make lasting memories

of your own. Here in Wyoming, we fondly refer to our state as one small town connected by long streets. Because of that, we have found opportunities to come together to enable hunters to share the bounty – if they so choose – by donating all or part of their meat to participating local processors. They, in turn, will prepare it for local organizations to distribute to our neighbors in need. This is a Wyoming solution to hunger, and we're honored to know that the Wyoming Outfitters and Guides Association has been on board since the beginning.

Our state's natural beauty and variety of landscapes ensure that there's something for everyone somewhere in Wyoming. With bountiful game and rivers teeming with fish, Wyoming has something to offer you, no matter what type of hunting experience you're seeking. Solitude is easily accessible, and the friendly and knowledgeable outfitters and guides featured in this guide can help you find the spot to fulfill your outdoor dreams.

The members of the Wyoming Outfitters & Guides Association know our state as well as anyone, and they are here to help you assemble the trip of a lifetime. We hope you will join us soon.

*Sincerely,*  
*Mark Gordon, Governor*  
*Jennie Gordon, First Lady*

Dear fellow hunters and outdoor enthusiasts:

Welcome to Wyoming Outfitter and Guides Association.

WYOGA was started in 1959 by a handful of far thinking individuals who saw the need to bring together quality outfitters and offer a collective voice to represent the industry. Fast forward sixty-four years and WYOGA has become a powerful advocate for non-resident hunting and recreation opportunities in Wyoming.

We have a great working relationship with the Wyoming Game and Fish Department and are continually consulted by the Governor's office and members of the Wyoming Legislature on hunting and fishing issues. Governor

Gordon appointed past-president Sy Gilliland and myself to the recent Wyoming Wildlife Task Force to tackle tough wildlife related issues here in Wyoming.

When considering a Wyoming hunt or fishing trip remember that WYOGA members are not only fighting for your right as a non-resident sportsman here in Wyoming but are the best of the best in Wyoming. WYOGA's ninety-five plus members represent one-third of the licensed outfitters in Wyoming, but collectively take over half of the guided hunters who come to Wyoming to pursue our abundant wildlife.

We hope to see you on the trail someday soon!

*Best,*  
  
*Lee Livingston, WYOGA President*
