# GUIDE OF THE YEAR

**DANIEL SCHREMS** Sponsored by **SCI**  
FIRST FOR HUNTERS

**Daniel Schrems** is a full time, professional hunting, fishing and wilderness pack trip guide for Jim and Mary Allen's Diamond 4 Wilderness Ranch in the Wind River Range. He was born on a small farm in Saginaw Michigan in 1952 and grew up hunting whitetails and water fowl when not working on the farm. He first came to Wyoming in the 1970's and was overwhelmed by the vastness of the country and the quality and abundance of wild game. He booked some guided hunts in Wyoming, including several elk hunts with the Allen's, during his 30 year career working for General Motors Company in Michigan. After his retirement from GM in 2004, his dream of guiding full time was realized. Daniel now spends the entire summer and fall every year in Wyoming guiding professionally for Jim and Mary Allen. Daniel enjoys spending the winter and spring at home in Saginaw with his wife Linda, 2 daughters Shelly and Kathy and 4 grandkids Hayley, Aiden, Olivia and Nick.
